

LIFELINE & RAPE CRISIS PMB WINS IMPUMELELO INNOVATIONS AWARD DECEMBER 2005

South Africa's Impumelelo Innovations Awards Trust was created to reward innovations that reduce poverty and address key development issues.

"Impumelelo" is a Xhosa word meaning "success through working together".

The Impumelelo Innovations Awards reward exceptional projects which involve partnerships with the public sector that enhance the quality of life of poor communities in innovative ways. Approximately R1million is distributed annually to the most exceptional award-winning, poverty reduction projects.

In 2005 Lifeline & Rape Crisis Pietermaritzburg was awarded a Silver Award for its Ukunakekela "Working hand in hand to improve services to rape survivors" project achievements in Northdale.
